Presbyterian Home for Children

Second Century of Caring Campaign

Grant Us This Day

While several foundations and businesses continue to consider our proposals, individual supporters have responded generously to a recent plea to help close out the Second Century of Caring campaign by December 2007. In response to a letter mailed to all supporters in July, PHFC has received nearly \$100,000!

This is an outstanding response from donors and the staff and board of the Home are moved and inspired by such a showing of support.

In addition to individual gifts, PHFC is awaiting decisions from the Beaver Family Foundation, the Dickson Foundation, the Bank of Granite, Kiwanis Club of Black Mountain, Progress Energy, Van Every, Pepsi, Bank of America and Gannett.

Please keep us in your prayers as we continue to reach out to local, regional and national partners.
