

PRESBYTERIAN HOME FOR CHILDREN

SECOND CENTURY OF CARING

Corporate Sponsorship Program

Campaign Progress

The idea of local businesses being involved with and lending a helping hand to the Presbyterian Home for Children is as old as the Home itself! In the earliest years, community businesses showed their "good neighbor" support by providing transportation, food, clothing and other services for the children.

Today, that tradition of sponsorship continues as the Home prepares to launch its first Corporate Sponsorship Program. Annual sponsorships starting at \$1,000 and progressing upward to \$25,000+ offer both large and small businesses an opportunity to support the Home and make a positive impact in the lives of abused, neglected and abandoned children in Western North Carolina. Businesses also have the option of sponsoring individual events at PHFC (Work, Worship & Play Days, annual Fall Festival, Youth Leadership, etc.) or supporting church cluster events in their local communities.

As part of our Corporate Sponsorship Program, PHFC will recognize donors through a variety of media including our quarterly newsletter, the Home's website and the PHFC Annual Report. These publications are distributed to over 16,000 households, as well as the Internet.

If you own a business or can recommend a company that would be interested in stretching their Advertising and/or Charitable Giving budgets, please contact Terri Bowman (Ext. 45) at Presbyterian Home for Children.

Grant us this day...

We're proud to announce a recent gift of \$30,000 by **The Belk Foundation**. As a longtime friend of the Home, the Belk Foundation makes grants to community-based nonprofits whose missions and actions support the advancement of Christian causes and the up-building of mankind. Their generous gift will have a lasting impact on the lives of the children and families we serve.

Earlier this month, **Kate B. Reynolds Charitable Trust** of Winston-Salem, NC awarded a grant of \$25,000 to PHFC. This grant will give us additional resources to help improve access to healthcare and instill a lifetime of healthy values for our children.

We'd like to bring back this tradition in the Spring of 2007 through the help of a committed group of volunteers who can adopt this project. For more information, please contact Tom Campbell (Ext. 33) at PHFC.

Our next Campaign Steering Committee Meeting will be held July 20, 2006 @ 8:30 AM
